Updates!

Hi Cristian,

Hope you're doing well! Just got a call yesterday and I got the offer! Super excited and grateful!

And thanks so much for all your help! I have one final question to ask you, which is regarding start dates. Are there specific times in the year which might be more favorable to start? Or does it not really matter? On one hand, I want to give myself a much-needed break, but I also don't want to unintentionally put myself in a pit by starting too late in the year.

Any thoughts on this?

Thanks so much Cristian!

Cheers,
